Chapter Head – Place two blank lines below the head

1.1. Subheading

Please write in 11 pts Cambria, with line spacing "double". First line of first paragraph after heading does not have an indent, like this.

Second and subsequent paragraphs do have a first line indent, of 1 cm.

Display quote. For when a quote is longer than three lines of main text. This of course, is not!

If this sentence carries straight on after the DQ, it does not have a first line indent, as here. If it forms a new paragraph anyway, it does.
