### Formalities

#### Visa

Citizens of EU countries do not need a visa to study in Bonn.

Students with **non-EU/EFTA nationality** need a student visa which they should apply for at the German Embassy/Consulate **well in advance**. #### Passport / ID

All students need a passport or identity card valid for the whole period of their stay.

### Insurances

#### Health insurance

All students need sufficient health insurance: **a)** either the European Health Insurance Card or **b)** other private health insurance valid for Germany during the whole study abroad period covering all necessary costs.

We also recommend that students take out a third-party liability insurance to cover any accidental damages caused to other persons or property during their stay. **The Erasmus+ programme and the University of Bonn do not provide any of these insurances.**

The **social contribution fee** of ca. 290€, which students have to pay when enrolling, includes an insurance for accidents that might occur en route from the university to your place of residence or on university grounds.

Information on Services for Students with Disabilities and Chronic Diseases

Students with special needs should always first get in touch with their Erasmus departmental coordinator well in advance.

Advisor for Students with Disabilities and Chronic Diseases

If you are affected by long-term health impairment, disability or chronic disease, the advisor for students with disabilities can give advice on all matters relating to studying with disabilities and preventing disadvantages, especially in relation to special conditions, needs and support in exams or solving personal problems. The advice is confidential and solution-oriented - in the sense of a self-determined and successful study with or perhaps in spite of health impairment.
