Once we receive your nomination from your home university, an application form will be sent to you by email. The email will also include information on accommodation, orientation, arrival dates, etc.

The normal closing dates for return of completed application forms to the Exchange and Study Abroad Team are 15 June for students wishing to attend in Semester 1 or the full academic year, and 19 October for admission in Semester 2.
When returning your application, you must submit an official transcript of courses taken and grades obtained at your home institution. The application also includes a Learning Agreement, on which you must list your provisional course selection.

The application form requires the exchange co-ordinator at your home institution to confirm that you are sufficiently proficient in English to follow a course of study and be assessed, by essay or written examination, in English. You must also enclose with the application documentation to prove proficiency in English (for example, transcripts of examinations taken to date).
