Why students love Bristol

1. **A city alive with masterpieces**
   In the hometown of Banksy, urban art hides around every corner.

2. **Europe’s longest street of independent shops**
   Gloucester Road is full of vintage boutiques and thrift stores.

3. **Secret bars around the city**
   Look for a bowler hat, a hidden phonebox or a neon light and knock to enter.

4. **Bristol loves film and theatre**
   From 11-seat cinemas to multiplexes and emerging theatre to major production venues, Bristol is an epicentre for performance.

5. **Waterfront venues**
   Bristol’s music scene suits all tastes, from club nights in a converted ship to jazz bars and indie venues.
Your second home

Named among the top five best cities to visit worldwide by Rough Guides*, Bristol is a cultural capital that will quickly feel like home.

Best of both worlds
You will fall in love with Bristol. Situated in south-west England, just 90 minutes from London, it offers over 1,000 years of history to explore. A thriving urban centre, Bristol is also packed with green spaces, and the countryside and coast are easy to reach by bus, bike or car.

Get involved: 300+ clubs
Joining a club is a great way to meet new people while you’re here. Study Abroad students often say taking part really helps them settle in and make friends. With over 300 clubs and societies, including 60+ sports groups, most students join a few at the beginning of term. Almost every interest is catered for, from a capella singing and American football to skydiving and soccer. Many of the sports clubs organise discounted student trips away during University vacations. Recent excursions include mountain biking in the Alps and sailing in Croatia.

By day

Sport

The University is home to a fully equipped sports centre, swimming pool and specialist complex complete with Olympic weights area. If you enjoy a little friendly competition, get a team together and join our intramural leagues for soccer, badminton, basketball, netball or hockey. bristol.ac.uk/sport

Shopping

Bristol is a great destination for shopping. Whether you want a traditional bookshop, a continental Christmas market or something unique from one of our many independent shops, all budgets and tastes are catered for.

Art

Historic exhibits and contemporary art sit side-by-side across the city. The Royal West of England Academy and Bristol Museum & Art Gallery host major exhibitions and are located next to the University, while contemporary works can be found at Arnolfini and Spike Island. Bristol also enjoys an international reputation for street art. Featuring major works by the likes of Banksy and Cosmo Sarson, neighbourhoods are alive with modern murals.

By night

Food and drink

Bristol boasts hundreds of restaurants, pubs, bars and cafes, meeting all tastes and budgets. Whether you want to drink cocktails in teacups, dine out in a 400-year-old pub, or experience cafe culture and eat at a festival, Bristol is sure to deliver.

Music

The city is renowned for its diverse music scene. You can find a wealth of venues and genres from small reggae bars and rock clubs to classical concerts at the University's own Victoria Rooms.

Theatre and film

Bristol's stage productions are world-class. The newly refurbished Bristol Old Vic is the UK's longest-running and perhaps most beautiful theatre, while the Tobacco Factory Theatres offer modern adaptations in an intimate setting. Film lovers can see arthouse and foreign-language titles at Watershed independent cinema, or visit the Everyman to enjoy the latest release in a boutique venue.

Festivals

A European festival hotspot, Bristol hosts events all year round. Many offer free admission and are usually walking distance from the University. Lead attractions include music festivals such as Love Saves the Day, the City of Bristol’s Pride, the International balloon Fiesta, Comedy Garden, and Upfest – Europe’s largest urban art gathering.

Study abroad for a semester or full academic year

Study options

Bristol offers a highly flexible and personalised Study Abroad experience. Make the most of your time here by creating a programme that works for you.

Flexible study
You can choose classes from across the University to direct your own academic programme. Take classes in your major or minor, or just those that interest you.

Tailored to you
We offer three different Study Abroad options.

Study Abroad
The most common option for native English speakers and those who already meet our English language requirements is the standard Study Abroad programme. You can take this programme in the autumn or spring semester, or for the full academic year.

Bridge
If you need some English language support, our bridge option will be better suited. Integrating English language and cultural classes in the first part of your course, it is designed to bridge the gap to studying in the UK.

STABEL
Study Abroad with English Language (STABEL) allows you to join us even if your English requires some improvement. Beginning in June or July, this intensive summer language course prepares you to take our standard programme in the autumn semester or for the full academic year. See p16 for our entry requirements.

Dedicated advice
Our dedicated Study Abroad team can give advice about our academic system and choosing classes, as well as any non-academic issues. Every academic department has a study abroad academic coordinator, with whom you can discuss your subjects, classes or assessments. All your professors will also be happy to help.

See p18 for our entry requirements.

STUDY ABROAD GUIDE
STUDY OPTIONS

bristol.ac.uk/study-abroad
We have a wide range of accommodation to suit all tastes and budgets. Our Accommodation Office will help you find the perfect place to live.

A guaranteed home
Study Abroad students coming for a full year or the autumn semester are guaranteed a place in university-owned accommodation, if you apply by the deadline. For students starting in the spring semester, we make every effort to place you in a University residence, or help you find private accommodation.

Halls
University halls of residence are either catered, which includes a meal plan, or self-catered with full kitchen facilities. Most bedrooms are single, but you have the option to share. All rooms are furnished, with either an en-suite or a shared bathroom.

Every residence provides free internet, 24-hour security and a team of pastoral support staff. Hall facilities vary but most have a common room, study rooms, launderette and bike storage, while some feature music rooms, bars and gardens.

Accommodation is available for students with disabilities or health needs, mature students, and those with special cultural or religious requirements — including some alcohol-free and single-sex options.

Choosing where to live
Our student residences range in size from 40 to 740 students and are spread over three locations.

• Stoke Bishop is a lively student hub of six residences set in 65 acres, based two miles from campus. It houses our second sports complex and free buses run to the University all day and late into the night.
• Clifton is a student-friendly suburb within the city. Full of traditional architecture, it features shops, cafes, bars and green space. Our Clifton halls are 15 minutes’ walk from campus.
• City centre accommodation is 10 to 20 minutes’ walk from campus, surrounded by the bustle of city life.

Join a community
Staying in halls of residence can help you settle into UK university life. You’ll be living with a mix of British undergraduates, international students and others on the Study Abroad programme. Each residence has a student-run committee which organises social events such as concerts, theatre performances, summer balls and formal dinners. You can also get involved in sporting leagues and fitness classes.

Private accommodation
If you prefer to live outside of halls and rent privately, the Accommodation Office is available to help. This is easier for students coming for the full academic year, as most rental contracts are for a minimum of nine months. Bristol Students’ Union provides a specialist letting service for students, and there are many other property providers across the city.

What will it cost?
Accommodation fees for our halls of residence vary according to location, facilities and room type, but all include internet, utility bills and a bus pass. Prices for single rooms typically vary from £109 to £197 per week.

Private rents vary according to your preferences. A room in a shared residential property usually costs between £80 and £110 per week, not including bills; commercial studio apartments will be more expensive.
