## Application process

### Step 1: Nomination by Partner University

Period to submit to the International Relations Office the nominations for future exchange students arriving for the beginning of:
- Fall semester (September-January): 15 March – 15 Avril 2018
- Spring semester (January-May): 25 August – 30 September 2018

### Step 2: Online Student Application

Following the reception of student nominations, the relevant incoming exchange student coordinator will send a link to our online application directly to the student by e-mail. Students must complete their application for the:
- Fall semester by 5 May 2018
- Spring semester by 14 October 2018

Useful information for future exchange students: [www.univ-lyon2.fr > International > Etudiant](http://www.univ-lyon2.fr) > Nous venons à Lyon 2 en échange

### Step 3: Acceptance letter

The International Relations Office will send the students’ acceptance letters directly to the partner universities. Students can receive an electronic copy by e-mail.

## Language requirement

The Université Lumière Lyon 2 is a French-speaking institution. At this time, we do not require any official certificate of French level for exchange students, however incoming exchange students must be sufficiently proficient in French to be able to follow classes and complete coursework. Very few courses are offered in English at our university. Students will not be able to follow a 100% English-language program.

## Tuition and fees

No tuition or fees

## Student housing

While filling out our online application, exchange students may request a room in a public student residence hall.

Responses regarding student residence hall allocations will be sent to students arriving for the:
- Fall semester in the beginning of July
- Spring semester arrivals in early December

While we are unable to attribute a place in public university housing to all students who request one, we help guide students in finding accommodation in the private housing market or in accommodation shared with other students. Rent for a private accommodation: approximately 300€ to 550€/month

More information about accommodation can be found here: [www.univ-lyon2.fr > International > Etudiant](http://www.univ-lyon2.fr) > Nous venons à Lyon en échange > Logement

## Visa and immigration policies

Only the nationals of non-EEC member countries are required to have a long-stay student visa (“visa de long séjour étudiant”). Applications for student visas must be submitted to the French consulate serving the student’s current residence following the reception of their acceptance letter.

For more information visit: [www.france-visas.gouv.fr > Avez-vous besoin d’un visa](http://www.france-visas.gouv.fr) (website also available in Arabic, Chinese, English, Russian, and Spanish)
